

What To Do In Case of a Vehicle Accident

Call **911** for emergency, medical and police help.

Always **exchange information**.

Obtain names and contact information from **all witnesses**.

Take **photos** (scene, vehicles, etc.).

Preserve all physical **evidence**.

Notify your **insurance** company.

Do **NOT** agree to anything with the offending driver.

Do **NOT** give a statement to the offending driver's insurance company or investigators.

Get **legal help** as soon as possible.
